

The Coffee, Craft & Chat ministry is for those people who enjoy knitting, crocheting, sewing, etc, as well as delighting in each others company. We also offer teaching classes in: Knitting, Crochet, Greeting card making Jewellery & other crafts

Many of us knit squares for blankets, mainly for [Wraps with Love](#) , which go to disaster or conflict areas overseas, but are also distributed in Australia in crises situations. We seek to build rich relationships with one another, and support each other as we go through life.

We welcome people from all stages of life, whether involved in a church or not.
