

The Library provides Christian books and DVDs for short term loan to anyone who is connected with Merrylands Baptist Church in any way.

The Library is set up as a self-serve facility and its resources are available to anyone connected with MBC including the Tamil Church, Playtime and Community Choir. Only Christian books printed after 1992 are in the collection, plus some recent DVDs. The collection is colour-coded into 7 sections - Children, Christian Living, Family, Fiction, Life Stories, Reference and DVDs.

The Trolley in the entrance foyer holds about 70 resources which are rotated monthly. The main collection is housed in a cupboard in the downstairs hall. Resources may be borrowed from either spot whenever the church building is open. Borrowers sign out then sign resources on a sheet provided and we asked to return them within 3 weeks. The aim is that the Library resources will entertain, inform and encourage folk in their Christian lives.
