

We are currently involved in the school scripture (SRE) ministry in both Merrylands East Public School, and Merrylands Primary School, where we seek to serve the community and establish better relationships with the schools we are serving.

We also share in the wider Holroyd SRE ministry, which seeks to reach out to all the local primary and high schools. It is a ministry in which we work with other churches as we all minister together. We desire to build stronger connections to the people we come in contact with at the schools so that we may be of help in introducing them to God and to see them build a strong personal relationship with Him.
