

The worship ministry is a strong component of MBC. When we worship as an individual we grow in our relationship with God. When we worship together as a Church family, we encourage and empower each other.

*It's not what we do that is worship, but why we do it...*

'They are like trees planted along the riverbank, bearing fruit each season without fail. Their leaves never wither, and in all they do they prosper.' (Psalm 1)

Worship is our response to God. When we worship, we meet face to face with God and experience His embrace. It is an expression of celebration, adoration and thankfulness for who God is what He has done for us.

There are many different ways we express our worship at MBC, including music, visual displays, art and craft activities, prayer, reflecting on God's Word, and even silence. Whatever we do, we desire to establish an environment where everyone can actively participate in a meaningful and personal expression of worship.

The heart of our Music and Creative Teams is to first be planted firmly in God who nourishes and sustains us, to welcome people to meet with and respond to God, and to be a Church that prospers in all that we do for Him.
