

The team at Merrylands Baptist Church is a team that is passionate about their relationship with God, and about caring for people whom they come in contact with.

If you visit the church, then please seek any of us out as we would love to get to know you.

### **Senior Pastor - Bob Dennis**

Bob, with his wife Anne, were called to the role of Senior Pastor of MBC in July 2012. At 28, while in the Air Force, Bob's life was suddenly changed when he discovered the grace of God. Prior to coming to Merrylands, they were involved in pastoral ministry in rural NSW and the Blue Mountains. They have four adult children and are now on a steep learning curve as grandparents.

Bob enjoys serving in a kingdom community where...

- people of all backgrounds are welcomed, accepted and, loved,
- people discover Jesus, grow in their faith, and are equipped and empowered by the holy spirit to serve God,
- people who are hurt and wounded by life find healing, recovery, and wholeness,
- marriages are strengthened and families are encouraged to be healthy and loving,
- children and youth are affirmed and encouraged towards realising their full potential,
- people are motivated to serve the local community and the world for good.

### **Church Secretary - Jane Hunt**

Jane left MBC for missionary service with Australian Baptist Missionary Society in her early years, returning in the early 90's. She accepted the ministry of MBC Church Secretary in 1995 and has served continuously since then. She attends to the administration of the church but also leads the overseas mission ministry, a Discipleship Group, occasional singles outings, womens craft and interest evenings. Jane also publishes a monthly MBC prayer letter.
